

# Measuring Length with Cubes

Name: \_\_\_\_\_

Date: \_\_\_\_\_

 Use connecting cubes to measure these objects. Count how many cubes long each object is!

1. Your pencil  is about \_\_\_\_\_ cubes long

2. Your crayon  is about \_\_\_\_\_ cubes long

3. Your ruler  is about \_\_\_\_\_ cubes long

4. Your glue stick is about \_\_\_\_\_ cubes long

5. Your book  is about \_\_\_\_\_ cubes long

## Compare the lengths:

6. Which object is the **longest**?

\_\_\_\_\_

7. Which object is the **shortest**?

\_\_\_\_\_
