

Name: _____

Date: _____

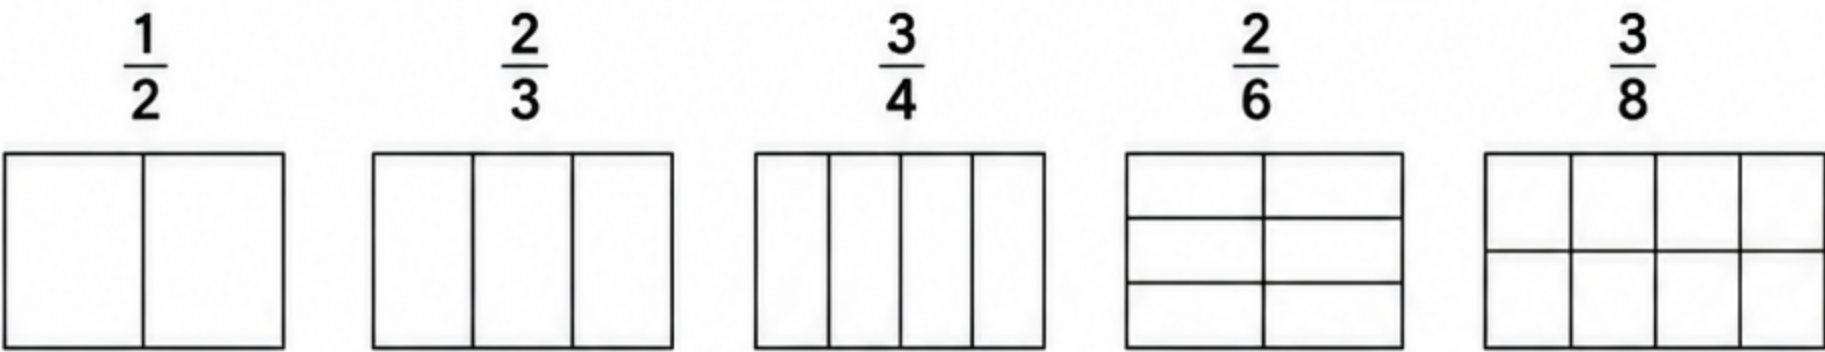

Shade the Fraction Shapes

Shade the shapes to represent the fractions shown.

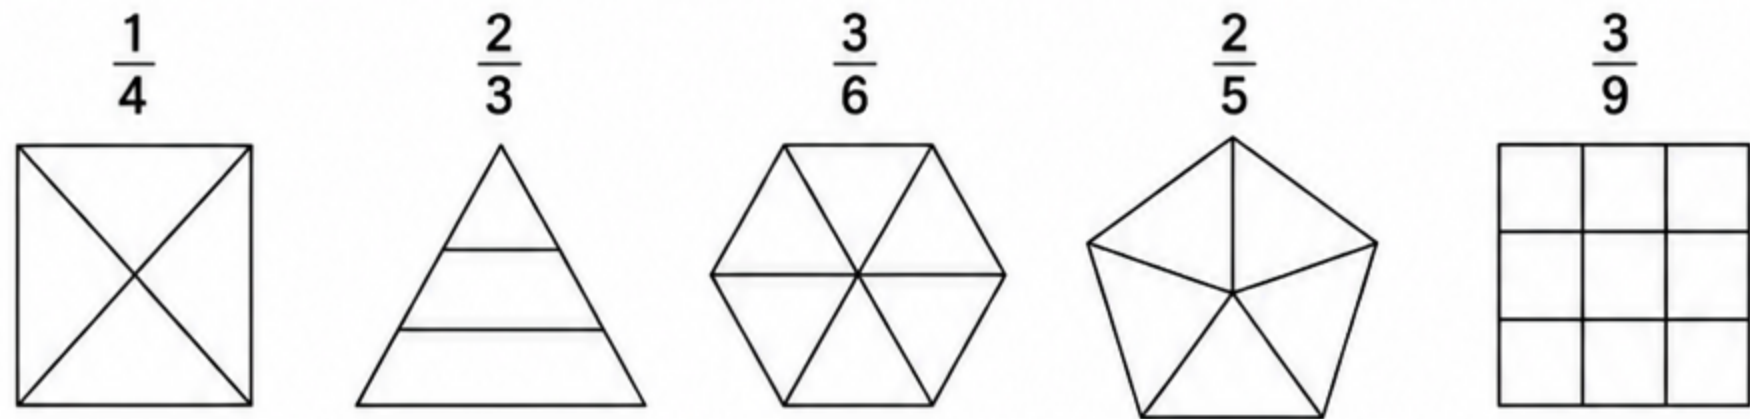

1. Circles

2. Rectangles

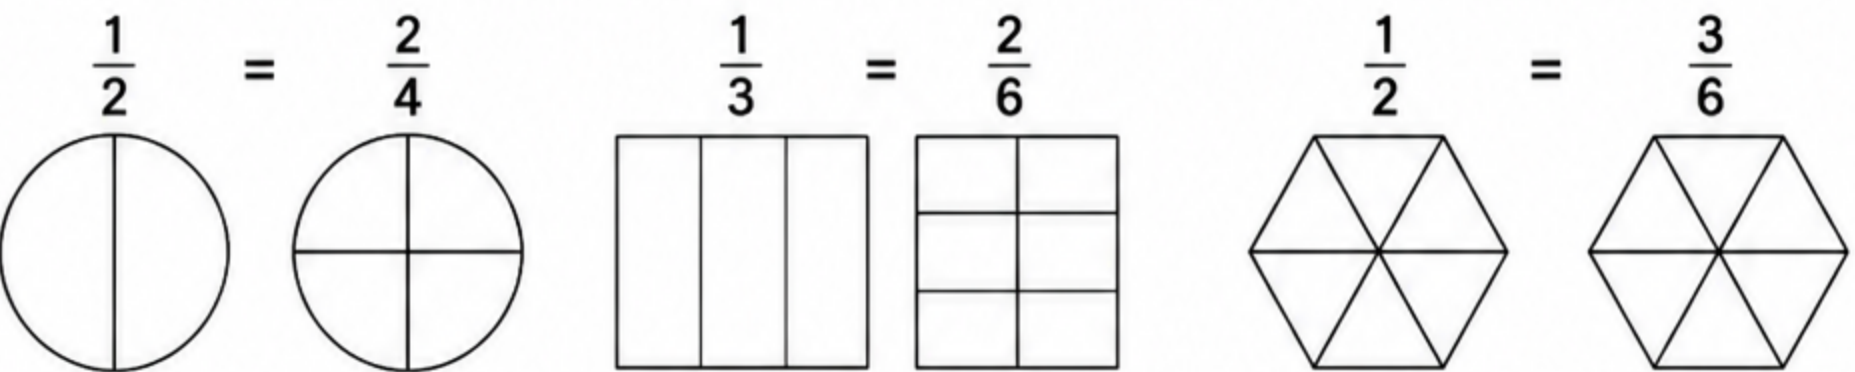

3. Other shapes

4. Equivalent fractions

Shade the two shapes so that they show equivalent fractions.

5. Create your own

Choose any fraction (with denominator up to 8). Write it here: _____

Draw a shape, divide it into equal parts, and shade to show your fraction.
