Picture Division: Sharing Objects Equally

Look at each group of objects. Divide them into the equal groups shown.
Circle or draw lines to show the groups, then write the division equation and answer.

1. Share the apples into 4 equal groups.

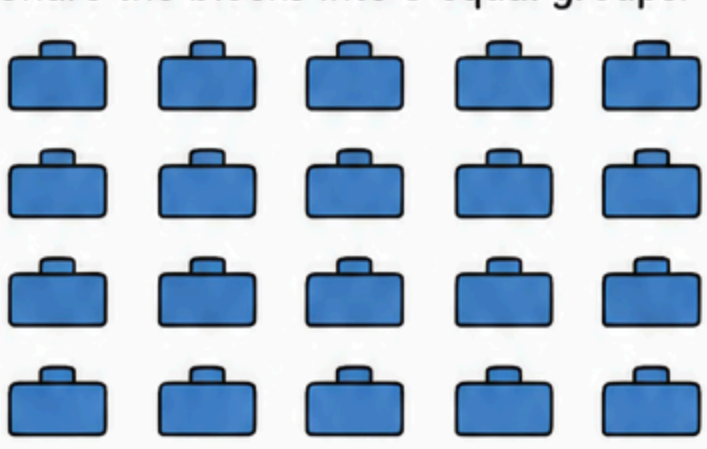

_____ ÷ 4 = _____

2. Share the stars into 3 equal groups.

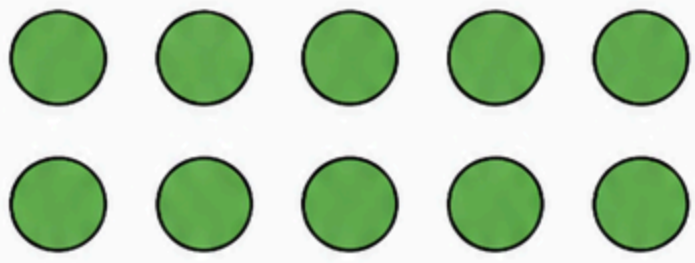

_____ ÷ 3 = _____

3. Share the blocks into 5 equal groups.

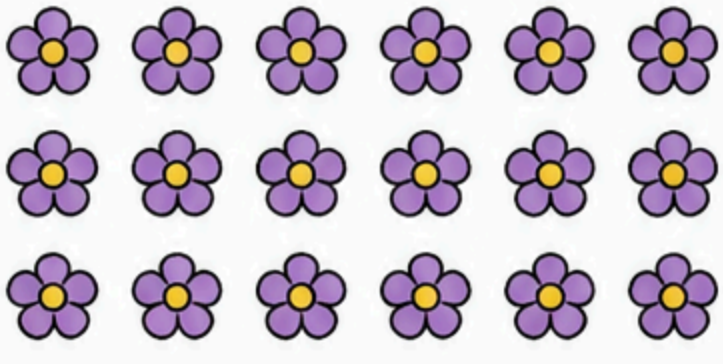

_____ ÷ 5 = _____

4. Share the counters into 2 equal groups.

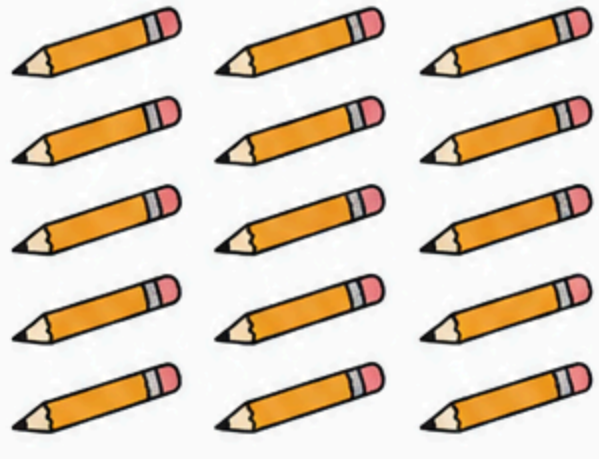

_____ ÷ 2 = _____

5. Share the flowers into 3 equal groups.

_____ ÷ 3 = _____

6. Share the pencils into 4 equal groups.

_____ ÷ 4 = _____
