

He aha te Matariki?

What is Matariki?

Matariki is the Māori New Year. It happens in winter when we see a cluster of stars rising in the early morning sky. Matariki is a time to:

- ✦ Remember those who have passed
- ✦ Celebrate the present with whānau and friends
- ✦ Look forward with hope to the year ahead

It's a time for reflection, gratitude, and new beginnings.

✦ What does Matariki mean to me? ✦
